Question of Whether Washington Will Have Campaign Will Ministers.

BOARD NAMED BY CITIZENS

Upon Clergymen Desirability of Having Evangelist Re-

The question of extending an invitation to Billy Sunday to come to Washington for a campaign will be put up to the Pastors' Federation on Monday, as the result of a resolution passed by the committee of fifty at a meeting last night at the Y. M. C. A.
This committee voted to have Chair-

man W. K. Cooper appoint a committee of five to confer with a committee of five to be named by the pastors. The joint committee then is to call a conference of two representatives from each church in the city eligible to representation in the Pastors' Federation. This general committee is then to consider plans for bringing the baseball evangolist to the Capital.

Just before the adjournment of the neeting last evening, Mrs. Harriet E. Monroe, a prominent Lutheran and Gospel Mission worker, arose and said: "Now, let us pray for these preachers. We wish them to understand we are intensely in earnest about bringing Billy Sunday here. Every time I have had a moment to spare I have spoken to the Lord about it. And I wish the rest of you would pray that these preachers be made to see this thing aright."

Fall In Or Fall Out.

"I don't think we need worry about the ministers," said Edward Tarring, a member of the general committee. "I think they now either will fall in line think they now either will fall in line or fall out and keep quiet."

The only concerted opposition to a Sunday campaign is expected from Lutherans. There are only two Episcopal clergymen who are members of the fed-

clergymen who are members of the federation. Dr. Jesse H. Ramsburgh, a prominent Episcopal layman, yesterday wrote Chairman Cooper he was heartily in favor of Mr. Sunday's coming, and and said his pastor, the Rev. Herbert Scott Smith, of St. Margaret's, also favored the campaign.

Applause greeted a letter from Raymond Pullman, a newspaper man, who is prominent in Lutheran church work, who said: "I regret very much that several men of my denomination have expressed themselves in opposition to Sunday, but hope they will reconsider when they learn more about the great good which the man has done in every community he has visited."

Many other letters were read last night from pastors and laymen who favored the coming of Sunday. Among these writers were the Rev. F. W. Johnson, of Grace Baptist Church; the Rev. Charles A. Shreve, of Bruen M. E. Church, and E. S. LaFetra.

Thank Police and Firemen.

Thank Police and Firemen. Resolutions of appreciation of the work of the police and fire departments were passed. A similar resolution also will be sent to Union Station officials. E. S. Wolfe, chairman of the finance committee, reported a deficit of \$176 from the visit of Mr. Sunday last Monday. This will be made up from contributions already promised in case of a deficit, and from an assessment upon members of the committee.

In discussing the possible opposition from Lutheran clergymen, Mrs. Mondroe said: "Ninety per cent of the Lutheran laity of this city are strongly in favor of getting Mr. Sunday here. But some of the preachers would not hesitate to vote against him in spite the strong of the committee.

"Billy" Sunday leaned out over his great congregation, brushed the tears out of his eyes, and shouted it to the four human walls.
"Why, God couldn't be everywhere!"
he exclaimed. "So he gave us mothers!" His voice was very gentle.
"Oh!" he cried, "the great need of this country and of all others is mothers, good mothers, Christian mothers! I believe America has more good mothers than any other country in the world.
